Our Story

Built in 1931, the house with the original Oregon floors and pressed, steel ceilings, it is a true landmark in Bronkhorstspuit.

Die Stoep started off as a small coffee shop in one of the rooms. Due to demand, a pub was added and the whole building became a restaurant.

The lapa, which seats 80 people, was the next extension to accommodate larger functions. The house also boasts an attic, called the ghost room Wonder why? Situated halfway between Pretoria and Witbank, it is the perfect meeting place for family and friends from Gauteng and Mpumalanga.

*This is not a fast food restaurant,
